DEDICATION

To a mighty fine teacher and a coach with winning ways, both as to football records and as to personality, we dedicate this 1957-58 edition of the Pathfinder. Now that Ken Stanger (to the left in photo) has become vice principal of Cupertino High School, the editors feel that our school should give Mr. Stanger a going-away present that would be a lasting memory of his eleven years as teacher and coach at Fremont High. He received a gold football with his record of 54 wins, 15 losses and four ties on the night of his last Fremont game. On that night his grid team, which had only a 3-3 record, rose to new heights to tame the Mountain View Eagles, 34-6. We can't top that night for thrills for Ken Stanger, but we want him to know that we are going to miss him in the years to come. We are happy for his advance into school administrative work where his well-known quality of being a friend to boys will still benefit the community. Our best wishes and this yearbook go with him.

This year the Junior class participated in many activities around Fremont's campus. The Junior Assembly and Junior Prom were two of the most memorable; although they also participated in plays and a variety show.

The Junior boys were active in Fremont's athletic program. This year's Junior class proved to be one of the best — and next year, as Seniors, will be the greatest.

Varsity

Left to Right: Line coach Hank Norberg, Head coach Ken Stanger, Backfield coach Tom Cureton.

The Fremont Varsity was a rough and determined group and played an inspired type of football which made opponents shudder. Although the Indians finished the season with a 5 win, 3 loss record, it belies their accomplishments.

Starting his last season as the Fremont mentor, Ken Stanger faced the job of building a green, inexperienced line into a well-oiled unit. This he accomplished and the fame of the Indian running game spread as the hard-hitting line continually gave a stellar backfield room to move.

Fremont had one of its better representations on the All-SCVAL as Don Hufford, Ron Adriani, and Jim Zamlich made the first unit while Dick Duran, Jim Delgado and Oscar Morphew made honorable mention. Zamlich, Hufford, and Adriani were selected team captains while Zamlich was named the team's most valuable player.

B Football Team

Head coach Fenton Hill, Line coach William Devaney.

Coach Fenton Hill faced a tough job at the beginning of the football season this year. Graduation and accumulated exponents hit his thirties team hard and left him with the prospects of a losing year. But the thirties developed and wound up the season with a better than expected 3 win, 4 loss, 1 tie record.

Two papooses placed in ALL-SCVAL selections with Terry Haynie making the first unit and Ken Johnson landing a second team birth.

The thirties might have had a better season had it not been for serious shortages in the Indian running attack, caused by injuries to two key players — Mike Finnegan, fullback and top ground gainer, and Jack Thomason, quarterback. Finnegan, Thomason, and Haynie were chosen team captains.

Coach Phil Mooers Cross-country squad started off the season with a small turnout. The harriers did well in the preliminary meets, but in the league meet were able to finish no better than 10th in our 12 team league.

The top runners this year were seniors Jim Amdahl and Cat Veloz, and juniors Roger Baldwin and Ed Sutter.

Coach Mooers has only 3 of this year's team returning next year. They are juniors Bob Mutsenberg, Sutter and Baldwin. The coach is looking forward to a larger sign-up next year including many freshmen and sophomores from this year's fine track teams.

Wrestling

The Fremont Wrestling team had a very successful season, under the guidance of Kendal Stanger and Gale Morelock. In league competition besides taking the Novice Tournament, they placed 5th in S.C.V.A.L. competition and 14th in Northern State Tournament.

Heavyweight Phil Delgado was perhaps the most outstanding wrestler on the squad. Phil lead the way with a third in the N.C.S. trials and a third in the N.C.S. finals. Charles Breeden in the 138 lb. class placed third in the N.C.S. trials and second in the S.C.V.A.L. finals.

Those who placed in the S.C.V.A.L. finals were Bordi, Inouye, Breeden, Regalado, Isle, Schowenwetter, Hufford and Delgado.

Varsity Basketball

The Varsity Basketball team, despite the lack of experience, finished the season with a very successful 14 won, 12 loss record. The Indians made an excellent showing at the two invitational tourneys; taking consolation awards at James Lick as well as at Carmel.

The Tribe was led in a season of hard fought contests by Tom Ross, Richard Regnart, and Dan Simon, all of whom made honorable mention on the All-SCVAL selections.

The team, like last years squad, was comprised completely of seniors. Rounding out the squad were Jim Stevens, Warren Butts, Ralph Saich, Jim Haynie, Jim Zamlich, John Mairs, Bill Lutes, Tom Edwards, Hal Pierce, and Monroe Fultz.

30's Basketball

The Thirties Basketball Team enjoyed a more than successful 1957-58 season. The Thirties gave coach McGhie his first league championship in his three years as Thirties coach. It was fitting for the lightweights to take the loop title after coming so close to the championship last year.

Strangely enough the lightweights won league laurels with an inexperienced club. They had only one returning player from last year's second place team. Of course this player, Len Pirmarta, has been very instrumental in toping the rest of the loop. The rest of the first string players are graduates of last year's C and D teams. They are Richard Yamaguchi, playmaker; Ralph Martin, forward; Kenny Johnson, forward; and Dave Kinser, postman.

Len Piumarta led the league in scoring with a 13.5 average per game.

The only league contest lost this year was against our arch-rival, Sunnyvale High.

The Varsity Mittmen suffered a disasterous season as they played in the cellar throughout the season. The Indian nine simply could not get through a game without commiting a harmful number of errors which led to their downfall. The pitching staff was adequate along with the stick work but the Tribe lacked fielding ability.

Tennis

Coach McGhie

The Indian tennis team fought to a fairly successful season. Left with only one returning letterman, Terry Dugan, the team lacked the experience that is all important in tennis. The future looks very bright for Coach McGhie as the majority of his team is made up of sophomores and freshmen.

The S.C.V.A.L. meet was held on the Fremont courts.

The majorettes and flag girls added color and talent to our half-time shows. They also did a fine job of representing Fremont in other parades. Fremont is proud to have such outstanding performers.

Dear Hope

Well hon, how does it feel to be a senior you old girl. I hope this will be your last year at Fremont. We sure have had a ball since we've been going together, don't you think. Or doesn't it to muck? Ha. Remember our great excursions to the snow & that little lake? How about that, but Red Rose. When are we going to start going again. It looks like we might be able to get in some more water skiing if this hot weather holds out. I hope they will be around for your senior dances & party's. Maby I'm around for your Junior Prom. Not that I didn't have there. that's out there just wasn't enough there for. Oh well, I love you. All sure is going to be along before we get married. especially if I get drafted first. Do your thing you can wait for me. I hope all our good times in the future will be as good as the ones we've had in the past. Luv ya forever & always anymore. Yours truly 1 2a

P.S. I love you, muchly. Will honey not much else can put down except thanks for all the wonderful times we've had together. I hope there are many, many more. And now I don't want to go home. Ray

Joyce:

Well three senior looks like this is our last year at good de Zavaua Hub? maybe we can try and do something for this school before we leave. I bet some of the teachers last year were awfully glad to get rid of the both of us. It was a lot of fun last year so we'll just have to have more fun this year and try to cause a lot more trouble!!

We'll graduate this year (I hope) and make a couple million dollars so we can support our _____??

lots of luck in the future and to you and Ray and a letter apt an invitation in three or four years ok? And I'll be sure and come to you and Ray whenever we need a baby-sitter, and that's a promise!!! lots of luck always,

Wanda

P.S. try not to cause Ray too much trouble, and don't make him lose too much of your hair!!! (just kidding)

Dear Joyce:
Some have written here.
Some more may write. But no one loves you better than your mother who writes tonight.
Love Mother.
